**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 CFR 1.181(a)**

The following is in response to the Notice of Abandonment mailed from the United States Patent and Trademark Office (hereafter, "Office") on February 1, 2007 relating to the above captioned application. The Notice indicates that the abandonment was the result of a failure to file a proper reply to the Office letter dated 27 March 2006.

However, our records indicate (and are confirmed by the PAIR system) that a response to the 27 March 2006 Non-Final Office Action was timely filed on 27 September 2006 and received by the Office along with a three-month extension of time and the required fee.

As evidence of the foregoing please find the following attached to this correspondence:

- 1) A copy of the transmittal form containing the certificate of mailing indicating the mailing date of 27 September 2006.
- 2) A copy of the returned postcard indicating the Reply was received by the Office on 13 November 2006.

Since Applicants replied to the Office letter of 27 March 2006 within the statutory six-month period, Applicants respectfully submit that the above captioned application's status is mistakenly categorized as abandoned. Therefore, Applicants request that the Office withdraw the holding of abandonment.

Please contact the undersigned in the event that a telephone conference can resolve any remaining issues in this application or hasten its progression towards Examination and allowance.
